Introduction

Friendship is soliciting proposals and qualification statements from parties having specific interest and qualifications in the areas identified in this solicitation. A selection committee will review and evaluate all qualification statements and proposals and may request that the bidders make oral presentations and or provide additional information. The selection committee will rely on the qualification statements and proposals in selection of finalists and, therefore, bidders should emphasize specific information considered pertinent to this solicitation and submit all information requested.

Background

Friendship Public Charter School (FPCS) is the largest public charter school system serving nearly 4,000 students in Washington D.C. on five campus locations. FPCS's mission is to prepare a diverse, cross-section of children for success as students, workers, and citizens by providing them with a world-class education that motivates students to achieve high academic standards, enjoy learning and develop as responsible, ethical contributors to their communities. Students of the Friendship Public Charter School System benefit from a high-quality school design, caring teachers, 21st century technology, and strong connections with their respective communities. Since its founding in 1998, the Friendship Public Charter School System has opened four of its five campuses in formerly vacant D.C. public school buildings. The fifth campus is housed in a converted Safeway supermarket. It has invested over thirty-million dollars to turn these buildings into attractive centers of learning where children and teens feel valued and supported. Using proven teaching techniques and state-of-the art technology,

students have made dramatic gains on the Stanford Achievement Tests and in a city where barely 52 percent of young people are graduated from high school, this year, Friendship's Collegiate Academy achieved a 92 percent graduation rate among a senior class of 300. These students received offers from Bucknell University, the College of William and Mary, Carnegie Mellon University, Howard University and the Rochester Institute of Technology

Project Scope

Friendship Public Charter School is soliciting an Instructional Leadership Coach to assist in developing a specific evaluation process linked to the Friendship Public Charter School mission, beliefs and accountability plan. The project envisions two components; development of supervision and evaluation handbooks; and the creation of a professional development continuum. The professional development should include lecture series and on-site coaching series. The Instruction Leadership Coach must be able to recognize the needs of the school leaders; be able to coach; mentor; and supervise in the areas of instructional leadership.

Proposal Requirements

Proposals shall include, at a minimum, the following information organized as follows in a qualification statement:

1. A brief discussion of company/firm, its history and services offered.
2. Resumes of key staff that will provide service.
3. Owner/client's name, contact person, telephone number, and description of services for at least three (3) similar or related assignments.
